

RANDOLPH

Methodist Ministerial Association Holding District Meeting.

Children's day was observed at the Methodist church on Sunday evening by a concert given by the children of the school, assisted by the choir of the church. Many of the children had recitations, and the singing by them was good. The church was prettily decorated with ferns and wild flowers making the room an attractive place. Rev. E. W. Sharpe was present, and at the close of the meeting held the first quarterly conference of the year in the church vestry. Monday the Ministerial association of that denomination held the opening session of their district meeting here, which will continue through Tuesday. The opening session in the afternoon of Monday was held with a devotional service, led by Rev. Fred Engel of Gayville, followed by Rev. D. G. Guest, who spoke upon "The District Superintendent as the Advocate of Special Causes." "The Psychology of the Veteran Preacher's Fund," was given by Rev. J. Wesley Miller of Bethel. The Program of Campaign and Our Goal," by Rev. E. W. Sharpe, district superintendent, closed the afternoon session. In the evening Rev. E. E. EAST BETHEL

This summer, more than ever before, automobilists run their cars through this village at a reckless speed. The accident at North Royalton, three miles below here, Sunday, could and undoubtedly would have been avoided had not one of the three cars engaged tried to round a sharp bend at express train speed. Not every auto so offends, but just enough to render riding on the highways unsafe for anyone who ventures upon them.

Arthur Dearing is at his home here, waiting for his commission to arrive. He is a graduate of Norwich university and has been appointed a lieutenant in the field artillery. He expects to be assigned to Fort Leavenworth, Kan., for the present.

Mr. and Mrs. M. H. Buck were in Chelsea last week, where Mr. Buck, who is a civil engineer, is connected with a case being tried.

Nash Hebard, who has been away for the past two weeks, has returned home. Always in years past, fresh flags have been placed on the soldiers' graves in the cemetery in this village, but this year it has not been done. Although patriotism abounds in towns around us, and flag raisings and Red Cross work we read about in the papers, our dead soldiers' graves cannot have the usual flag of Memorial day.

Resinol

If you want to experiment on your skin, there are plenty of treatments to experiment with. But if you want something whose value has been proven by years and years of successful use, if you want a treatment that doctors prescribe constantly, that you know contains nothing harsh or injurious, you will find it in Resinol Ointment, sold by Resinol Soap. It usually shows inflamed skin, and rarely to clear away all trace of scum or staler tone meeting skin eruptions. Resinol Ointment and Resinol Soap are sold by all druggists.
